Case No. CV20-00496

Dept. No. 1

**FIFTH STATUS REPORT**

23 COME NOW, Barbara D. Richardson, Commissioner of Insurance (the “Commissioner”) for the  
24 State of Nevada in her capacity as Temporary Receiver of Physicians Indemnity Risk Retention Group,  
25 Inc., (“PIRRG” or the “Company”), and Regulatory Services Group (“RSG”), the Special Deputy  
26 Receiver of PIRRG, and file this Fifth Status Report in the above-captioned receivership.

1 group as of December 31, 2019. On March 2, 2020, PIRRG failed to submit to the Commissioner a  
2 required report of its financial condition pursuant to NRS 694C.400. On March 6, 2020 PIRRG  
3 submitted an unsigned financial report indicating it was insolvent pursuant to NRS 696B.110. The  
4 foregoing facts associated with PIRRG's financial impairment constituted sufficient grounds for a  
5 formal delinquency proceeding pursuant to NRS 696B.210 and NRS 696B.220.

6 On March 12, 2020, the Commissioner petitioned this Court pursuant to NRS 696B.250 to seek  
7 her appointment as Receiver of PIRRG for the purpose of its rehabilitation, conservation or liquidation,  
8 and to grant permanent injunction and other relief authorized by Chapter 696B of the NRS and other  
9 applicable law in order to protect PIRRG's policyholders, creditors and the public from the dangers and  
10 risks inherent to the delinquency of this entity.

11 On March 19, 2020 this Court granted injunctive relief and appointed the Commissioner as  
12 Temporary Receiver and issued an order, pursuant to NRS 696B.250(2) and further directing PIRRG to  
13 appear in court on March 31, 2020 and show cause why the Commissioner's petition should not be  
14 granted. On March 26, 2020 PIRRG filed a peremptory challenge and the case was reassigned to  
15 Department 1, thereafter on April 7, 2020, after consulting with both parties, this court rescheduled the  
16 hearing to Show Cause from March 31, 2020 to May 27, 2020.

17 On April 2, 2020 the Nevada Insurance Commissioner in her court-appointed capacity as  
18 Temporary Receiver of PIRRG retained the services of Regulatory Services Group to act as the Special  
19 Deputy Receiver for PIRRG. Regulatory Services Group ("RSG" or "Special Deputy") acting as the  
20 Special Deputy Receiver is vested with all the rights, duties and authority of the Temporary Receiver,  
21 subject to the supervision of the Nevada Insurance Commissioner as Temporary Receiver and of the  
22 Court.

## 23 **II. RECEIVERSHIP ADMINISTRATION**

### 24 **A. Notices of Developments in Receivership**

25 On February 2, 2021, Counsel for the Temporary Receiver filed a Motion for Order of Liquidation  
26 and other Permanent Relief which was opposed by the law firm Leverty and Associates. After a series  
27

1 of delays, the hearing went forward on December 6, 2021 and January 14, 2022 and is now complete.  
2 The Court has taken the matter under advisement and an order is expected to issue in the near term.

3 **PIRRG Policies**

4 As of December 31, 2021 all but eleven PIRRG policies (all involving tail coverage risk) have  
5 been transferred to new insurers or expired on their own terms. The majority of PIRRG members had  
6 their policies transferred via formal agreement to ISMIE in 2020, a well-capitalized Illinois professional  
7 liability carrier that insures a significant share of the professional liability market in Illinois. ISMIE is  
8 an admitted carrier in Florida.

9 The Special Deputy Receiver retained and worked through the local PIRRG staff to ensure all  
10 policies being accepted by ISMIE were on terms and conditions consistent with their existing PIRRG  
11 coverage. By the 3<sup>rd</sup> quarter of 2020 all policies scheduled to be transferred to ISMIE had been  
12 transferred. Any remaining tail policies will be cancelled, to the extent they have not already lapsed on  
13 term, upon the placement of PIRRG into permanent receivership. To help preserve the limited assets of  
14 PIRRG the Special Deputy Receiver has placed a moratorium on various policy administration and claim  
15 expenses and will address those obligations in conjunction with the placement of the impaired risk  
16 retention group into permanent receivership.

17 **B. Policyholder Related Claims**

18 As of December 31, 2021 PIRRG reported \$5,057,557 in estimated gross policy liability with  
19 34 open claims, all of which fall under some form of litigation or pre-litigation status. Notice of the  
20 PIRRG temporary receivership injunction has been provided to all active defense counsel for PIRRG.  
21 The Special Deputy Receiver has sought to gain a stay in all active proceedings against PIRRG insureds  
22 pending further orders from this court, but as significant time continues to pass courts are increasingly  
23 more impatient to allow the local stay to remain without some indication of the timing of a final ruling  
24 in the receivership case. PIRRG's open claims are not covered by any insurance guaranty statutes but  
25 the reciprocal has a reinsurance program in place that may serve to pay a portion of any claims exposure  
26 or other claim-related obligations. The Special Deputy Receiver has reviewed and monitors the open  
27

1 claims and legal cases against PIRRG policyholder medical providers. The Special Deputy Receiver  
2 provides periodic updates to policyholder defense counsel about the status of the receivership and any  
3 case developments. Ultimately, the Special Deputy Receiver is prepared to commence a proof of claim  
4 process in accordance with Nevada's distribution priority statutes thereby seeking to determine and pay  
5 approved claims on an equitable basis subject to the limitations on available PIRRG assets.

6 **C. Records and Assets Control**

7 The Special Deputy Receiver has control of most of PIRRG's books and records, both tangible  
8 and electronic. The majority of PIRRG's records are maintained in electronic format at the risk retention  
9 group's home office in Wesley Chapel, Florida and also with PIRRG's captive manager Strategic Risk  
10 Solutions at their offices in Arizona. It is the understanding of the Special Deputy Receiver that most  
11 all claim and claim related hardcopy files as well as electronic files are in the custody and possession of  
12 Steve Adler PIRRG's CEO and or at the offices of Melsar Risk Management Services ("Melsar"). In  
13 addition to the legal files held by Mr. Adler and Melsar there are various case files in the respective  
14 offices of defense counsel representing PIRRG insureds. It is also the understanding of the Special  
15 Deputy Receiver that various legal files associated with the pending reinsurance arbitrations and the  
16 case against AON are all in the custody of Leverty and Associates in Reno, Nevada. The Special Deputy  
17 has yet to receive any of these files from the law firm despite repeated formal requests. The Special  
18 Deputy Receiver has also requested PIRRG records from Per & Knight, Inc., relating to actuarial  
19 opinions provided to the Company. As a result of PIRRG records being held by parties in various  
20 locations and states, coupled with current civil restrictions and court continuances, the Special Deputy  
21 Receiver will complete a final consolidation of all known records upon further ruling from this court,  
22 specifically in obtaining the claims and claims handling records and the final consolidation of all the  
23 corporate records.

24 In addition to records control, the Special Deputy Receiver has taken control of PIRRG's bank  
25 and treasury accounts. All known bank accounts and treasury accounts are now in the control of the  
26 Special Deputy Receiver.

1 **D. Financial Analysis and Receivership Expenses**

2 As of December 31, 2021 PIRRG’s liabilities exceed its assets by \$3,316,480.<sup>1</sup> PIRRG  
3 has reported assets of \$7,324,834 and liabilities of \$10,641,312. Based on the PIRRG’s current financial  
4 condition, it is insolvent within the meaning of NRS 696.110(1). Specifically, PIRRG’s current cash and  
5 short-term investments as of December 31, 2021 total \$515,903 which is comprised of \$13,301 in cash or  
6 cash equivalents in their Wells Fargo operating account and a PIRRG Pool balance of \$502,602.

7 Additionally, for the period ending December 31, 2021 PIRRG reported a reinsurance asset of  
8 approximately \$3,457,436 due from the risk retention group’s reinsurance partners in the London  
9 Markets on paid loss and LAE and \$2,833,152 recoverable on claim reserves. This estimated recovery  
10 has not been verified by the Special Deputy Receiver and is subject to formal dispute.<sup>2</sup> The Special  
11 Deputy Receiver continues to provide updated financial data to the reinsurers and remains in periodic  
12 contact with counsel for the reinsurers for the purpose of preserving a productive rapport and posture to  
13 seek resolution upon entry of the final receivership relief. Counsel for the London Market reinsurers  
14 continues to express a willingness to seek an equitable resolution to the PIRRG reinsurance program.  
15 Upon entry of a permanent receivership order, both parties will work to submit the necessary financial  
16 submissions through the proprietary system for billing and review after which the PIRRG estate can  
17 evaluate the amounts currently due and the prospects of a commutation. A copy of PIRRG’s December  
18 31, 2021 quarterly financial statements are attached as **Exhibit 1**.

19 From October 1, 2020 through December 31, 2021 the Special Deputy Receiver paid  
20 \$884,682 in estate administrative expenses maintaining the essential elements of the remaining entity  
21 and to stay compliant with the orders of this court over the last twelve months. The PIRRG expenses  
22 fall into a few distinct categories of administration. Specifically, PIRRG paid the following over the  
23 period being reported:

24 \_\_\_\_\_  
25 <sup>1</sup> This number is rounded to whole numbers with the exact dollar amount being \$3,316,478.

26 <sup>2</sup> On August 8, 2019, PIRRG filed a lawsuit against AON Insurance Management (“AIM”) and AON Risk Services  
27 of Florida (“ARS”) in Washoe County, Nevada, Case No. CV-19-01563, alleging various causes of action claiming  
28 that the Defendants placed “illusory” reinsurance treaties with the Company that did not provide for a true risk  
transfer for the years 2011 through 2017.

1	Payroll (Adler/Kent salaries + part-time admin. position)	\$ 500,829
2	Captive Management Fees (SRS)	\$ 130,934
3	RSG (Sp. Deputy Receiver fees)	\$ 202,777
4	Rent	\$ 24,964
5	Melsar (Adler claim fees)	\$ 8,657
6	Gen & Admin (phone, security, IT hosting, cleaning, etc.)	\$ 16,520

7 The Special Deputy Receiver continues to work through the remaining PIRRG staff in Florida  
8 to address all invoices and ensure proper controls over weekly payables. To maintain the core elements  
9 of the risk retention group a small population of vendors and services have been retained through the  
10 interim period awaiting further orders of the court. Each month the basic costs to support the small  
11 Florida home office and retained PIRRG staff together with the fees of the captive manager, tax preparer  
12 and Special Deputy average approximately \$55,000 a month. PIRRG’s retained staff, rent/services,  
13 and captive manager represent 95% of the interim monthly holding costs while awaiting further  
14 orders of the court. The Special Deputy Receiver has accounted for all invoices approved and paid on  
15 behalf of PIRRG, an informational copy of expenses paid during the period October 1, 2020 through  
16 December 31, 2021 is attached as **Exhibit 2**.

17 **E. Third-Party Support**

18 Strategic Risk Solutions (“SRS”) is assisting the Special Deputy Receiver with the preparation  
19 and filing of financial statements and a limited portion of PIRRG operations. As referenced above, SRS  
20 has acted as the captive manager of PIRRG since 2017 and maintains PIRRG records in an electronic  
21 format. Additionally, as previously reported, the Receiver has engaged the law firm of Greenberg  
22 Traurig LLP (“Greenberg Traurig”), as counsel in this receivership matter.

23 **F. Ongoing Priorities**

24 Upon the placement of a permanent receivership order, the Special Deputy Receiver will focus  
25 on the resolution of the key reinsurance disputes and collections, as well as evaluate the strength and  
26 requirements associated with litigation being asserted by Levery and Associates against AON related  
27

1 to the placement of certain reinsurance treaties. Additionally, the Special Deputy Receiver will  
2 commence a proof of claim process to determine the total estate liability and ultimately will seek court  
3 authority to release a distribution of estate assets to approved priority claimants.

4 The Special Deputy Receiver, in coordination with SRS and the PIRRG home office staff,  
5 continues to process the weekly payroll and essential vendor expenses. All non-essential expenses have  
6 been suspended subject to further order of this court. As mentioned above, PIRRG insureds do not enjoy  
7 the “safety net” coverage benefits of an insurance guaranty association as such the Special Deputy  
8 Receiver must balance ongoing expenses and potential recoveries against the prospect of PIRRG’s  
9 current impaired financial condition. This balancing effort is proving to be a significant challenge due  
10 to continuing delays associated with the pending show cause hearing to consider a permanent  
11 receivership and liquidation.

12 **III. CONCLUSION**

13 In compliance with NRS 696B.290(7), the Special Deputy Receiver submits the aforementioned  
14 report and respectfully requests that this Court approve this status report and the actions of the Receiver.

15 DATED: February 11, 2022.

16 Respectfully submitted:

17 Barbara D. Richardson, Commissioner of Insurance

Physicians Indemnity Risk Retention Group, Inc.  
 Unaudited GAAP Financial Statements  
 December 31, 2021  
 Executive Summary

1. These financial statements have been prepared based on generally accepted accounting principles (GAAP) as allowed by the Nevada Division of Insurance with the exception of the Schedule F penalty and netting of reserves. These financial statements assume the Company will continue as a going concern, however, the Company was placed into temporary receivership effective March 19, 2020 because its liabilities exceeded its assets. There is substantial doubt about the Company's ability to continue as a going concern and the reader is cautioned that the majority of items listed under Deferred Policy Acquisition Costs (\$4,341) and Other Assets (\$7,245) represent prepaid expenses that might not be available to pay claims in the event that the Company is declared insolvent. The December 6, 2021 Show-Cause hearing was continued to January 14, 2022 to address the permanent status of the receivership. Since the Hearing continuation, the Company is awaiting the ruling.
2. On August 8, 2019 the Company filed a lawsuit against AON Insurance Management ("AIM"), and AON Risk Services of Florida ("ARS") in Washoe County, Nevada (CV 19-01563) alleging various causes of action ranging from simple misrepresentation claims to intentional misrepresentation and fraud. The Company's lawsuit asserts that the AON entities, acting in the capacities of reinsurance broker (ARS) and reinsurance intermediary (AIM), placed "illusory" reinsurance treaties with the Company that did not provide for a true risk transfer for the years 2011 through 2017.

The merits of the case and its various causes of action have not been fully briefed and the likelihood of a favorable ruling and timely payment of claimed damages remains uncertain and therefore is not included in the assets as presented in these financial statements.

3. The Company's 2020 Risk Based Capital (RBC) report provided perspective as to why the Company came under temporary receivership. While the financials are prepared based on GAAP, the RBC, calculated by statutory accounting is relied upon by the regulators to oversee RRGs. The results indicate put the Company in a Mandatory Control level which is defined as at or below 70% of the Authorized Control Level.

- h.** On the balance sheet, the Company is reporting a policy cancellation liability of \$1,041,670 and premiums receivable of \$506,758, a change from Q3 2021 due to the final payment of premium received on Tail policy #100531-1-TL. Since almost all of the policies have been cancelled, further analysis is required to determine how much of the premiums receivable can offset the policy cancellation liability.
- i.** These financials are presented on a pre-tax basis.
- j.** There is additional surplus note interest payable of \$73,812 which is not on the balance sheet due to the Nevada DOI having previously denied the request to pay interest in 2020.
- k.** The ISMIE Quota Share reinsurance contract was not extended past 3/31/20 and is therefore in run-off.
